

September 2020

Dear Parents and Students,

WELCOME to your confirmation class. Over the next year or so, your child will encounter the most spiritual curriculum. There are a few details I want to talk about. Because there is no in classroom instruction, it is very important that your child stay on top of the assignments and communicate their needs. All their work should be put in a black and white notebook and all assignments are expected to be turned in for grading. Your child should study the assignments and become familiar with the given assignments. There is a lot of material we cover over a short amount of time.

Communication is very important as well as cooperation. Your child will have work to complete every week, no matter what they tell you, they will have something to read, write, review, or research. Please take note of my email address and phone number at the bottom of this welcome letter.

If your child is not sure of an assignment given, after the explanation is given, you may contact me for further explanation.

Your child will have to write a paper on the Saint name **they are going to choose** for their Confirmation name. Guidelines will be distributed on when and how long your child has to complete the paper. I will provide links and suggestion on where to find the information needed for your child to succeed in this assignment.

Mass on Saturday night, or Sunday. Please write a brief paragraph on what the gospel passage was about. In other words, as an example, "This week the gospel was according to John, and Saint Johns message was that we should be more like Jesus. How we can be more like Jesus is to be kind with our words, and actions. Even though it is hard at times, we need to learn to be kind to all people and have an understanding that sometimes peoples actions are because of the correct situation they are in." ECT..... Just explain in your notebook what you heard. Also please put the date you attended mass at the top on you notebook page.

As new information arises, I will communicate this to you through email.

In conclusion, I look forward to a great year with your child, and please feel free to call if you need to get in touch with me. **(347) 672-9438, email tcusmano22@gmail.com**

Thank you and God Bless you,

Mrs. Cusmano
